

Havenbenadering

Bij benadering haven of sluis, moet je zeilen tot de punt van de boot tussen de lichten van de havenmond is.

Dit punt is aangegeven met de rode stippellijn op de kaart. 

Vanaf de rode stippellijn is motorgebruik toegestaan.

Motorgebruik tussen rode lijn en havenmond (stippellijn) = 1 strafpunt per haven

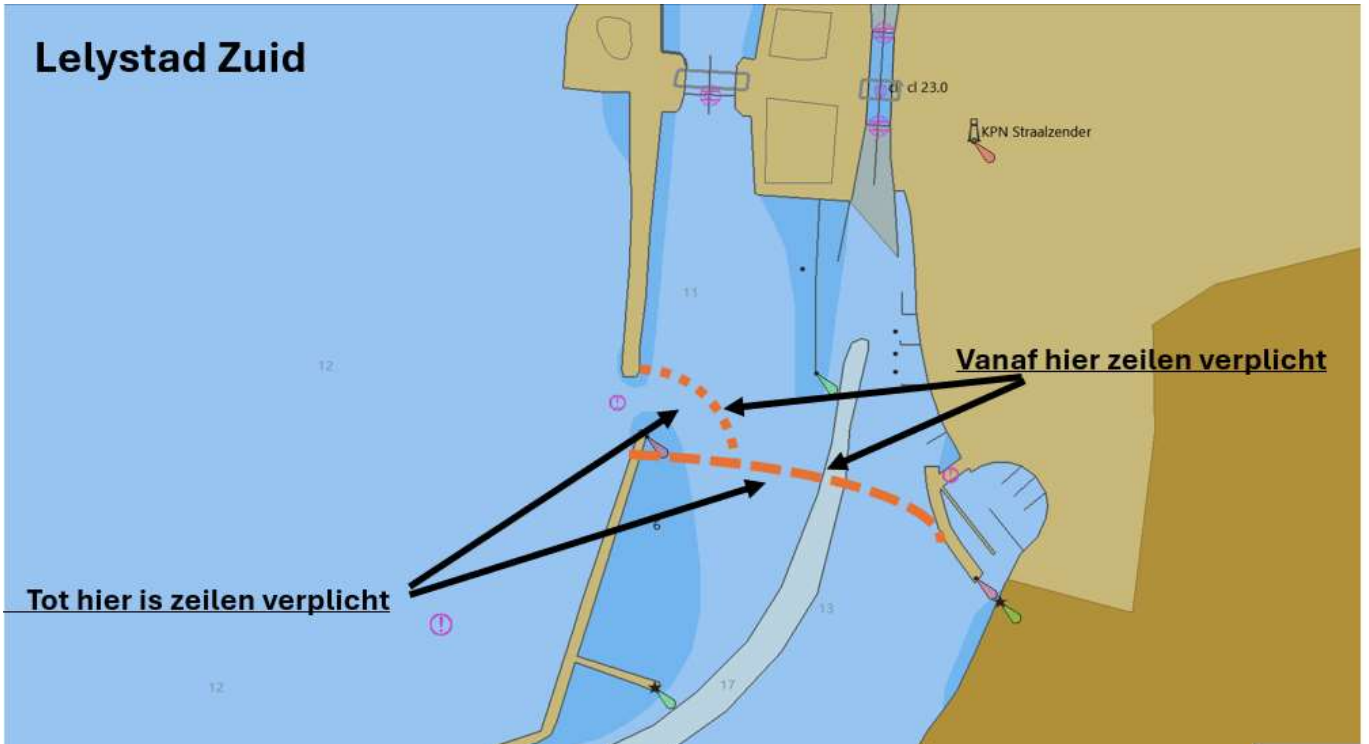

Zeilen tot de rode lijn is verplicht, zet je de motor aan voor de rode lijn, dan is het DSQ.

Bij vertrek uit de haven gelden dezelfde regels en straffen.
